

AMENDMENT NO. 2 JANUARY 2018
TO
IS 3768 : 1996 VENTILATION DUCTING — VINYL
COATED, FLEXIBLE AND SEMI-RIGID — SPECIFICATION

(Second Revision)

(Page 3, clause 5.5.4, line 3) — Insert the following at the end:

‘Failure in any test piece shall be deemed to have occurred when one or more cracks (not less than 2 mm long as extending through the coating to the base cloth) may be detected.’
